New Cassel: Comments on the draft Proposed Plan were received from HQs on 6/21. Comments from the State are expected by 7/11. HQs' comments are being addressed and a conference call with HQs is being scheduled for 6/27 to discuss changes to the plan based on their comments. We plan on reaching out to DEC this week to see if they can get us comments sooner. We expect to start the public comment period in mid-7/13.
